

WHY CHOOSE US?

FAMILY BUSINESS

Established in 1980, we have unparalleled experience, knowledge and understanding when it comes to providing elegant and high quality cane furniture, wicker furniture and rattan furniture.

STYLISH CHOICE

Our furniture is also comfortable, practical and stylish in your home. With our furniture you will be able to get many years of enjoyment out of your orangery, sunroom and conservatory all year round, without any problems that can be posed by this harsh environment.

PRACTICAL

The furniture you choose to put into your conservatory, orangery, summer room, etc. will have to withstand variations in temperature, humidity and light conditions. It's a natural material that is flexible enough to expand and contract with the temperature changes. It's strong, hard-wearing and is not sensitive to humidity unlike the hidden wooden frames of some furniture.

BRITISH MANUFACTURERS

We are proud to announce that we are full members of the British Furniture Manufacturers trade association. We are the only Cane and Rattan furniture manufacturer to be members of this prestigious organisation. The BFM have been representing British furniture for over 60 years and only British manufacturers of the highest quality are invited to become members.

ENVIRONMENTALLY FRIENDLY

Our furniture is made up using only the finest Cane and Rattan found in South-East Asia. Cane and Rattan need the rainforests and jungles to grow as it is a creeper and needs to wrap itself around trees and other vegetation. It encourages the communities that harvest this material to preserve the rainforests and jungles in which they are found. Cane and Rattan can be fully grown and harvested within two years, compare that to the 20-30 years for some hardwoods and you can see why rattan is one of the most sustainable materials to use in furniture manufacturing.

LARGE SELECTION

With designs from classic to contemporary, in a range of sizes and a wide choice of fabrics and frame colours to choose from, we hope that you will find the perfect combination for your home.

THE HIGHEST QUALITY

We know that our discerning customers will only accept the highest quality furniture, so our impeccable standards and attention to detail are second to none. We continue to manufacture all of our cushions in our upholstery facility in the UK making sure that every piece of furniture is finished and appointed as intended. You also have the knowledge that with our replacement cushion service, after many years you will still be able to refresh and update your furniture at a much smaller cost than if you were to buy a whole new suite of furniture.

We are proud to offer our customers Sanderson fabrics on all our ranges. For further fabric information on any of our fabrics please contact us.

Sanderson
www.sanderson-uk.com

AquaClean (exclusive to us) is advanced upholstery protection, it means: The most stubborn stains can be removed easily with just water. The AquaClean finish covers each fibre with an invisible molecular coating. The fabrics marked with this logo are available with this special technology to give you peace of mind that your furniture is easy to clean and protected from staining.
